# Frequently asked questions

**How far do you travel?** We will travel to any destination, Accommodation and travel charge will be provided in the final quote.

**How long do we allow for each hair up?** We allow a 45mins - 1 hour per style, we have you already at least 1 hour before the ceremony starts, to allow getting dressed and photographed by your photographer.

**When do I wash my hair?** We recommend washing and drying your hair the day before your wedding day unless we have spoken about blow waving your hair on the day.

**Do you do trial hair-ups before the day?** Yes, we do!  
it gives you a chance to meet us and to make sure we choose the right style to suit your personality, style, and dress, so you feel your absolute best on your day!  
(This is a personal choice to have this service)

**Does a trial cost?** Yes. It will be the same price as your hair on your wedding day, as we take the time to ensure your hair is exactly what you want before the BIG DAY!
